On the day of orientation, a class list will be posted on the classroom door. Please check the list to be sure that you are in the proper room. We are continuously trying to update these class lists but due to some late registrations all lists may not be complete. In the event that you cannot find your child’s name on the list, please see us in the office to confirm your room number.

Due to the increase in food allergies and NYS regulations, we do not provide snack. Please send a separate healthy snack and juice box for your child in a labeled brown bag. Each teacher will provide information about snack times for their class and if your child will have one or two snack times each day.

Your child's file **MUST** be complete, including a **completed and signed B.E.S.T. Learning Center Application, a signed copy of the Policies and Procedures Statement and a current NYS Medical Form** prior to the first day of school. The registration fee and June of 2018's tuition **must** be paid prior to orientation for your child to be placed in a class. September's tuition is due the first week of school. Payments received after the 10th of each month will incur a late fee. If the above-mentioned paperwork and payments have not been completed, your child will not be permitted to begin school. Thank you very much for your cooperation.

**We have a wonderful year planned and look forward to seeing you soon!
Enjoy the rest of your summer.**
